Attachment checklist

Templates for attachments A, E and F (below) must be downloaded from <https://glaucoma.org.au/i-treat-glaucoma/quinlivan-research-grants>

These attachments must be provided with the completed Application form.

Attachment A (Coversheet) should be attached to the front of the application. The other attachments should be attached to the back of the application form.

If application and attachments are collated, ensure that Attachment F (Nomination of possible assessors) is a separate file.

Responses must be provided in regular 12 point Arial or Helvetica font.

References can be in 10 point font. Please use a 2 cm margin, formatted for A4 paper.

Included with application?	Attachment	Description
<input type="checkbox"/>	A	Coversheet
<input type="checkbox"/>	B	Evidence of Australian citizenship or permanent residency
<input type="checkbox"/>	C	Ethics clearances
<input type="checkbox"/>	D	Host Institution letter
<input type="checkbox"/>	E	Certifications
<input type="checkbox"/>	F	Nomination of possible assessors

Part 1: Applicant and Institution Information

Details of Primary Investigator

Applicant			
Surname		First name	Title
Institution		Department	
Postal address			
Phone numbers			
Email		Fax	
Qualifications (including year and awarding Institution)			
Current appointment (including level)			
Are you an Australian citizen or permanent resident? (Evidence required - Attachment B)			
Name and contact details of alternate contact for this application (if applicable)			

Primary Investigator's Previous Appointments

(Insert additional rows if necessary)

Appointment and level	Institution	Department/Centre	Dates

Details of Co-Investigator (1) – if applicable

Co-Investigator 1			
Surname		First name	Title
Institution		Department	
Postal address			
Phone numbers			
Email		Fax	
Qualifications (including year and awarding Institution)			
Current appointment (including level)			

Co-Investigator (1) Previous Appointments

(Insert additional rows if necessary)

Appointment and level	Institution	Department/Centre	Dates

Details of Co-Investigator (2) – if applicable

Co-investigator 2			
Surname		First name	Title
Institution		Department	
Postal address			
Phone numbers			
Email		Fax	
Qualifications (including year and awarding Institution)			
Current appointment (including level)			

Co-investigator (2) Previous Appointments

(Insert additional rows if necessary)

Appointment and level	Institution	Department/Centre	Dates

Proposed Host Institution Details

Name of Administering Institution		Address	
ABN		Website	
Is the administering Institution registered as an Administering Institution with the NHMRC and/or the ARC?			

Research Environment

Description of the research environment provided by the host Institution and impact on proposed research (250 words max.)

--

Part 2: Primary investigator's capacity to conduct the research

Please describe your research vision for the next five years (250 words max.)

Please provide details of research output since 2015 (peer reviewed publications, patents and/or commercialisation activity – most recent work first).

Please provide details of previous and existing grants (including GA grants) and/or other funding since 2015 (sources, project title, duration of funding and level of funding – most recent first).

Please describe evidence of impact and your contributions to the field. (500 words max.)

Please describe how previous research has been of benefit to people with glaucoma. (500 words max.)

If you have received previous Glaucoma Australia research funding, please indicate the outcome(s) of this research.

Please describe any interruptions to your career that may have impacted your track record. (250 words max.)

Part 3: Project Details

Project Title

Project Summary

(250 words max.)

Media Summary

This summary must be in plain English, suitable for the general public. (150 words max.)

Ethical Considerations

Does the project involve the use of:		
Humans?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Animals?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Dangerous materials (eg radioactive or bio-hazardous materials, known or potential teratogens etc)?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Genetic manipulation?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Human stem cells?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Are there any issues that could be considered sensitive or controversial?	Yes <input type="checkbox"/>	No <input type="checkbox"/>

If the answer is 'yes' to any of the above questions, please explain how any potential risk will be minimised and managed.

Has the project been approved by an appropriate Institutional ethics committee? Yes No

If 'no', please explain when and how the appropriate approvals will be obtained.

If 'yes', are ethics clearance documents (Attachment C) attached?

Yes No

Conflict of Interest

Detail any actual or potential conflict(s) of interest.

Part 4: Research Plan

Ensure that all required content, as described in the *Information and Instructions* document is included, and in the form described.

Research plans exceeding 8 pages (inclusive of references) will not be considered.

Project Title

Aims and Background

Milestones

Approach

Outcomes and Significance

Impact of Research on the Glaucoma Australia research domains

References

To be included in the 8 page project plan. References may be in 10 point font.

Part 5: Budget

Add additional lines as needed.

YEAR 1					
Item	This grant	Administering Institution		Other funding sources, if applicable	
		Cash	In-kind	Cash	In-kind
